

St Philip's C of E Primary School

Newsletter Autumn 2025

Our learning this half term...

In Mathematics, we shall be learning about place value, addition and subtraction.

In English, we are studying narrative based on the book *Tales from the Caribbean* by Trish Cooke.

Our Science topic is The Earth and Space.

In Geography Geography we are studying natural disasters, and in Art, architecture.

In RE we are studying cosmology.

Reminders:

- It is important that your child knows their multiplication tables – they can practise on TTRockstars.
- PE kit on Thursdays; swimming kit on Tuesdays.
- Remind your children to change their books regularly. There are books available at all times in the classroom.
- We expect every child to read a minimum of four times per week for at least 20 minutes. In Year 5 this should be a mixture of reading independently and to an adult.

Next half term we will be learning...

Multiplication and division in maths, before moving on to fractions.

In English, we shall be reading *Runaway Robot* by Frank Cottrell Boyce.

We shall also start studying Musical Theatre in Music.

Our Science topic will be Forces.

Finally....

We have had a great start to the school year, with your children hitting the ground running!

Make sure your child gets a good breakfast and enough sleep, so they are ready to learn at school.

Yours,

Mr B Khalid
