

St Philip's C of E Primary School

Newsletter Summer 2026

Our learning this half term...

In Mathematics: Shape and graphs

To help: get your child to log on to TT Rockstars as often as possible.

In English: My Big Mouth – Steven Camden.

To help: get your child to write letters, diaries and short stories set around the book.

In Science: Evolution and inheritance

To help: get your child to research evolution.

In Geography: The Orangutan and its habitat

To help: get your child to research about this interesting creature and where it comes from/inhabits. Drawing and artwork also welcome.

In PSHE: Citizenship

In Computing: iProgram 2

In RE: Christianity

Reminders:

- It is important that your child knows their multiplication tables – they can practise on TT Rockstars.
- It is important that your child knows their spellings – they will be tested on up to ten a week. These will be sent home on a Wednesday.
- PE kit on Wednesday and Thursday.
- Remind your child to read every day!
- Ask your child to tell you something new they learned at school each day.
- SATs week – 11 May 2026 – 14 May 2026

Finally....

Please encourage your child to have a positive mindset about the upcoming SATs. Remind them that they should aim to do their best but not be nervous. I wish them good luck!
