

# Reception Newsletter Spring 1

## Topic

Our topic is Heroes and Villains. Please use the Knowledge Organisers provided to support your child in learning the key information learned during the topic.

## Things to Remember

- Visit the library every week
- Practice letter formation and handwriting everyday
- Bring book bags on a Wednesday
- Ask your child what they have learned today
- Attend parent workshops when available

## Read, Write Inc. Phonics

As your children progress into and through coloured groups, they will bring books related to their learning home. Please read and look after these books with your child and return them to school for the next child the week after.
